Annual Mare Breeding Report Year - 2019

The "Mare Breeding Report" must be prepared by the mare owner, or agent, signed and returned to FPZV USA along with a copy of the current year's Stallion Breeding Certificate (if applicable) by October 1 of each year.
All mare owners must file this report annually for each Friesian mare of breeding age (4 years of age or older) owned that is registered with FPZV. If no breedings performed or foals produced, write "none" in the table below.

Mare's registered name: _____

Registration number: _____

Date of Birth: _____

Dam: _____ Sire: _____

Registered owner: _____

_____

Breeding performed during the current breeding year? yes no
If yes, copy of current year's Stallion Breeding Certificate must be enclosed with this report.

Offspring Record

(Record every offspring ever produced by the mare)

DOB	Name of Foal	Reg. #	Sex	Color	Markings	Sire
