You do **not** have to be a current member of FPZV USA. All crosses can be registered with FPZV USA Cross Registry. This is to recognize and celebrate the value and contribution of the Friesian Cross in North America. The pedigree of the cross must be at least 50% Friesian. The Friesian lineage of the cross must be verified through DNA, which will be kept on file with UC Davis. Friesian crosses are evaluated solely on their merits not on the accomplishments of their sire or dam.

Horses may participate in the inspection process without being registered with FPZV USA
